FROM THE PRINCIPAL

Dear Parents/Carers,

Inside This Issue

- From the Principal
- Online Learning Outline
- Cuppa Connection
- Community Notices
- Term 3 Planner

Welcome back to Term 3. It's so good to have a smooth start to the term. Thank you for making sure your children are ready for school. The School Development Day was very fruitful with the staff learning some very useful math teaching strategies.

School Board Meeting

Our next School Board meeting is Monday 2 August at 6pm in the Staff Room. All parents are invited to attend the meeting.

Year 7 ASC Enrolments close today

A reminder to parents of Year 6 students to complete enrolment forms for Year 7 as soon as possible as enrolments close on Friday 23 July 2021 at Aveley Secondary College. If you have not yet made contact with the school and you intend to send your child there for secondary school please make contact as soon as possible. Please make sure you have all your documents ready, as outlined in the enrolment package sent to you. To enrol, you will need documents such as previous school reports, immunisation records, NAPLAN Year 3 reports, birth certificate or passport and proof of address documents. For more information, please look at the school's website <https://www.aveley.sc.wa.edu.au/for-parents/enrolment/>

Alternatively, you can call or email ASC on 6296 1000, Aveley.SC.Enrolments@education.wa.edu.au if you need support to submit your enrolment package. It is best to be organised beforehand so that the school can accept your expression of interest when you visit.

Olympics

Office staff have organised a special reward for a selected student in every classroom, each day during the Olympics. For a student to be selected as the daily winner by their classroom teacher, they need to achieve a Personal Best (PB).

Athletes try and complete PBs as they strive to improve and achieve their best. We would like to encourage students to try their hardest and achieve their personal best at school.

Kind Regards,
Penny Reynolds
Deputy Principal

ONLINE LEARNING OUTLINE. . .

ONLINE LEARNING

As we see in other parts of the country, the move to Online Learning can happen very quickly. Whilst we hope that COVID-19 does not impact us again, there is always a possibility we could be forced into lock down with little notice.

At Malvern Springs Primary School, we are currently putting together some policies and procedures to make any necessary transition as easy and stress free as possible for our students, staff and parents.

There will be some parent workshops in Week 3 – these will demonstrate how to access online learning and teachers will provide some tips on how to navigate CONNECT (the Department of Education learning portal) so that students can maintain contact with their teachers and learning content.

In the meantime, staff and students are being upskilled in online learning strategies and how to make the most of a change in learning environment.

See attachment for details on how to attend a parent workshop.
